## Financial Aid Education Goal Certification Form

Name: \_\_\_\_\_ Student ID#: \_\_\_\_\_  
Last First M.I

In order to receive federal financial aid, Department of Education regulations require students to be enrolled in an eligible program leading to a degree or certificate. You need to fill out this form declaring your educational goal because on the Long Beach City College application you either declared an ineligible goal or indicated that your educational goal is undecided.

I hereby declare my educational goal at Long Beach City College to be (choose one):

- Obtain a bachelor's degree after completing an associate degree
- Obtain a bachelor's degree after completing a vocational degree
- Obtain a bachelor's degree without completing an associate degree
- Obtain an associate degree without transfer
- Obtain a vocational degree without transfer
- Obtain a vocational certificate without transfer: List certificate: \_\_\_\_\_  
(Please see 2009 – 2010 Certificate and Degree List at the bottom of this form)

The foregoing is true to the best of my knowledge and supersedes any other educational goal declaration that I have made at Long Beach City College.
