Please Note: It is against federal regulations for any student to receive federal financial aid at more than one college or university at the same time.

In signing this form, I agree to let Long Beach City College use any financial aid that I am eligible for at the time of registration to offset any fees (College Services Card, Parking, and Materials Fees) that are due and payable at the time of registration. However, I understand that should I become ineligible for financial aid for any reason, the fees that were offset by financial aid will become a debt to the college that I must pay. If I do not want my financial aid to be used to offset the College Services Card, I understand that I must fill out a Surrender of Benefits Form at the Associated Student Body Office in the Student Center.
